## Celebrating 15 years

Love The Arts! Incorporated is celebrating its fifteenth year in business. We thank all of our customers, students, family, and friends for fifteen great years. We hope that there will be many more years to come helping people enjoy the gift of music.

In 2009, Love The Arts! renews its dedication to Lessons and Live music. We made some changes to our tuition policy to help students and families still enjoy private music lessons during these hard economic times. The new monthly flat rate policy was implemented with students' budgets in mind. We also implemented a family discount policy to help multiple family members take lessons.

We have several events to look forward to in 2009. Our annual field trip, this year, will be to the Philip P. Bliss Museum in Rome PA on July 19. Our summer picnic is Saturday August 15th. Many Concert Trips are already scheduled; keep an eye on the calendar at [www.LoveTheArts.com](http://www.LoveTheArts.com) for the latest concert dates.
